## Costs Less Money But Retains Morgan Value

Dealers have repeatedly asked us to build a door that could be used with yellow pine trim, keeping in mind that the cost to the consumer must be less than hardwood doors, but the designs and quality to be the same.

It has been no easy task to meet these requirements, but after a great deal of experimenting Morgan Company have produced a door that will satisfy the most conservative dealer. While we have been able to build this door so that you can increase your sales and profits, this has not been done at the expense of Morgan quality and design.

With the white pine stiles and yellow pine panels, you have a door you can guarantee both as to design and quality, and our construction permits the builder to use any kind of a finish he desires. It is not often you find *Quality, Design and Low Price* combined in one product.

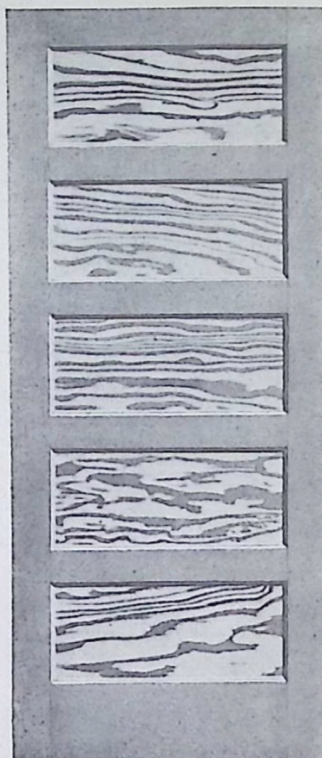

A trial order will prove to you our yellow pine panel doors are just what we claim for them.

## A Special Service

A large number of dealers are taking advantage of our *Kiln Dried Lumber Service*, and you too will find it profitable and convenient to use this service.

Often dealers find themselves in need of some certain kind of lumber, and while they do not want any great amount, must have their requirements taken care of promptly, and lumber shipped them that is thoroughly dry and that can be used immediately by the Contractor.

Morgan Company, realizing something of the value that these small shipments of *Kiln Dried Lumber* would mean to the dealer decided to make a specialty of lumber shipments in local or carload lots of millwork, and now carry at all times a full stock of yellow pine, plain red oak, birch, brown ash, basswood, and different woods. Your orders will be taken care of promptly and the best of grades shipped you. This *Kiln Dried Lumber Service* is yours to use and we will be glad to have you ask us for quotations and full information.

## Morgan Helps the Dealer

It has always been the policy of Morgan Company to help the dealer sell Morgan doors and millwork, and here's an opportunity for you to do some business.

It will only take a minute of your time to send us a list of the prospective builders in your territory and at our expense we will send the Door Beautiful Catalog, advising our doors and millwork will be furnished by you. *This means business for you*, but it is up to you to get *your* list in first. *Do this Today.*
